

NATURE STRIP PLANTING PERMIT INFORMATION

WHAT IS THIS PERMIT FOR?

In some circumstances, a permit is required to make changes to your nature strip. This is a free application and service.

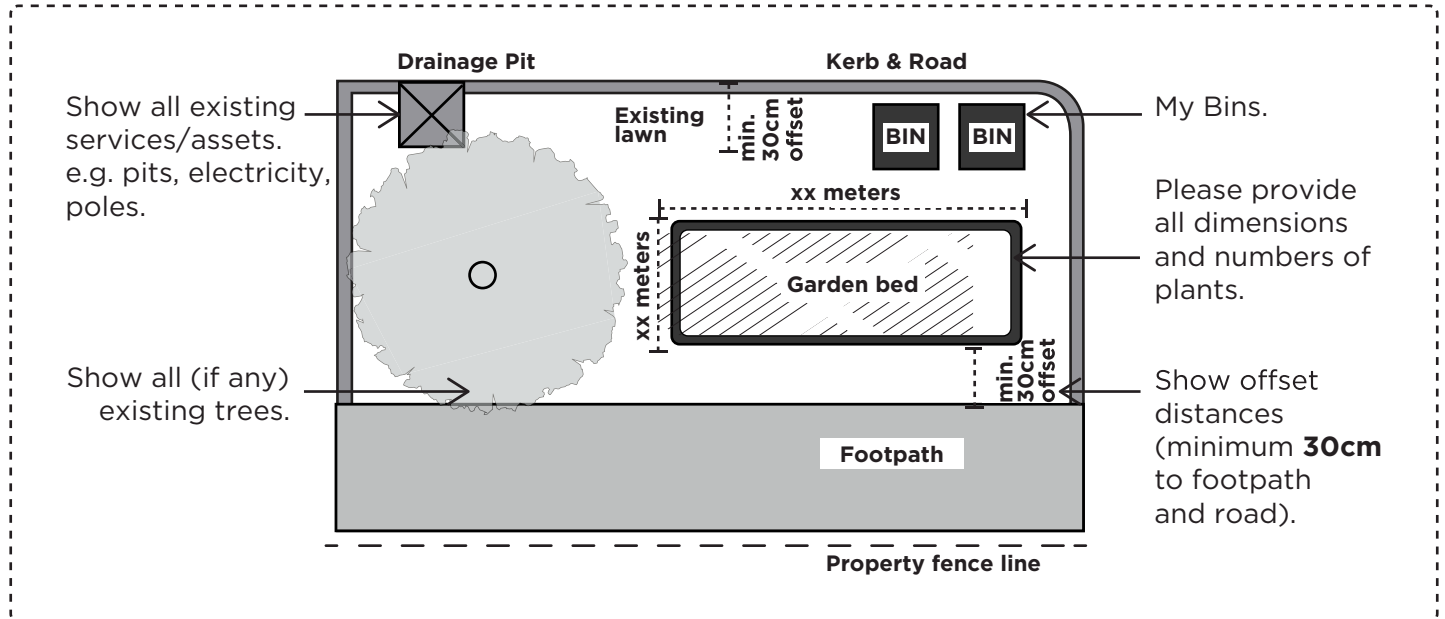

WHO NEEDS A PERMIT?

Anyone intending on making changes to their nature strip that **are not** in keeping with the **City of Darebin's nature strip policy**.

YOUR DESIGN:

We ask all applicants to submit a small sketch of their proposal.

An example sketch is provided below with the minimum required information. Please note that your nature strip will vary to this sketch.

NB: Please use clear symbols and annotations that meet the requirements of the check-list on the reverse side of this form.

PLANT SPECIES

We also ask that you provide details of all plant species you intend on planting and how many of each type.

An example table is provided on the reverse side of this permit form to help you.

HELPFUL LINKS

More information can be found in our Nature Strip guidelines brochure or visit: www.darebin.vic.gov.au 'Greenstreets' to review the entire nature strip policy.

OBTAINING A PERMIT

Please fill in the reverse side of this form and send or email it to the address provided. City of Darebin staff will assess your proposal. The more information you can provide, the easier it will be for our team to assess your application and respond quickly.
