

Closest additional dog off-lead area McDonnell Park approx 750 metres

View 1. View north toward toilets

View 2. View north west toward rock sculpture

View 3. View north east toward pond and wetland

Please Remember:

- Please ensure dogs are on-lead within 5 metres of shared paths
- Dogs must be on-lead when approaching the off-lead area, including any carparks
- Please consider other park users and ensure that dogs are kept under effective control
- Please restrain your dog if asked and do not allow it to become a nuisance to others
- This map reflects the current off - lead arrangements and will be updated from time to time
- Dogs may access a creek if in an off-lead area
- Please minimise any disturbance to creek banks and creatures who live here
