

February 2009

View 1. View east towards toilets and off-lead area

View 2. View south towards Edwardes Street

View 3. View south west towards Edwardes Lake

- Please Remember:**
- Please ensure dogs are on-lead within 5 metres of shared paths
  - Dogs must be on-lead when approaching the off-lead area, including any carparks
  - Please consider other park users and ensure that dogs are kept under effective control
  - Please restrain your dog if asked and do not allow it to become a nuisance to others
  - This map reflects the current off - lead arrangements and will be updated from time to time
  - Dogs may access a creek if in an off-lead area
  - Please minimise any disturbance to creek banks and creatures who live here

0 100 200 metres
