-  **Step 3.** If a change is needed, we will send you a letter with a parking plan that explains what changes are proposed. You can give feedback on the parking plan.
-  **Step 4.** We will review all feedback on the parking plan. We will modify the plan as required.
-  **Step 5.** We will send you a copy of the final parking plan and let you know when the changes will be made.
-  **Step 6.** The changes will be made in your street.
