Dear local resident,

**Re: Construction of outdoor netball courts at John Cain Memorial Park**

Further to our previous correspondence in June 2018, Darebin City Council is preparing to build four (4) new outdoor netball courts within the John Cain Memorial Park precinct.

Council is completing this project to cater to the high demand for quality netball facilities within Melbourne's inner-north and to provide the local community with opportunities to live well and engage in low-cost sport and recreation.

The courts will be line-marked for both netball and tennis and will be used to support local netball competition, in addition to casual tennis and netball for the community. As well as the four courts, the project will involve the installation of LED sports lighting, a pre-fabricated pavilion with accessible toilets, an umpires' office, extensive landscaping work and line marking for the Clarendon St car park.

Construction for the above project is planned to commence in **November 2018** and expected to be completed by **mid - June 2019**. The indicative site plan on the back of this letter outlines the work site area located at John Cain Memorial Park.

**Site Safety and Amenity Considerations**

The work site will be secured with temporary fencing for the safety and protection of park users.

Contractor work times will span between 7am – 6pm Monday to Friday.

There may be some minor noise disruptions caused by trucks and excavation equipment operating during the work times. The excavation equipment may cause some dust disturbances and will be minimised through regular watering of truck routes and excavation zones.

For further information and updates regarding these works please refer to Council's website [darebin.vic.gov.au/mss](http://darebin.vic.gov.au/mss) or contact the contact the Leisure Services Team on 8470 8304 or at [leisure@darebin.vic.gov.au](mailto:leisure@darebin.vic.gov.au).

Yours sincerely,

**Nick Ellis**  
Project Manager
