to live

Darebin Council is hosting a free playful storytelling event for Darebin families with children aged 0-5 years. Families and children can enjoy storytelling through a diverse range of interactive and playful activities including books, puppets and oral-storytelling games. The session will conclude with a 30minute storytelling and singing group time.

Reading and storytelling with children has many benefits for both parent/caregivers and children, including:

- early language and literacy development
- extending opportunities for imaginative and dramatic pretend play
- strengthening positive family relationships
- providing opportunities for exploring emotional experiences

- enabling cultural and traditional stories to be passed on in families
