Sat & Sun. 8am-6pm    Public Holidays. 9am-6pm

# Lane Availability

Reservoir  
Leisure  
Centre

To ensure your lap swimming session is an enjoyable one, the following lap lane etiquette guidelines have been developed and will be monitored at the Centre.

- Select a lane based on your ability to swim.
- Keep to the left of the lane.
- In order to pass a swimmer in front, swim past on the right, above the lane line on the bottom of the pool.
- If moving across any lanes, check both directions before moving.
- When waiting at the end of the pool, move across towards the corners of the lane to allow other swimmers to continue swimming.
- Please bring your 'patience' along with your goggles.
- For Walk-Run and gentle exercise lanes, please use the "Aqua Play" space. If there is not enough space to complete this, please ask a Lifeguard or staff members for the best location.
- During peak times (6am – 7.30am & 4pm - 7pm Monday – Friday & weekend mornings) lap lanes can be crowded at times. Where possible swim during off-peak times and plan your training sessions around the event calendar.

The following times are provided as a guide for lane designations:

- Slow Lane: Laps slower than 30 seconds
- Medium Lane: Laps slower than 25 and faster than 30 seconds
- Fast Lane: Laps faster than 25 seconds

The above times are a guide only, staff will monitor the lanes according to the abilities of all swimmers on the day.

To ensure you have the best experience at the Centre please plan your visit, check our Lap Lane Availability.

Please be aware that availability may change subject to facility demands and is at management's discretion.
