## Lap Swimming Etiquette

To ensure your lap swimming session is an enjoyable one, the following lap lane etiquette guidelines have been developed and will be monitored at the Centre.

- Choose a lane based on your swimming ability.
- Keep to the left side of the lane.
- Overtake slower swimmers on the right side, above the lane line on the pool floor.
- Before moving across any lanes, check both directions.
- While resting at the end of the pool, move to the corners to allow others to keep swimming.
- Be considerate and cooperative toward other swimmers.
- Use the Aqua Play Lane for walking, aqua running, and gentle exercise. If it's crowded, ask a lifeguard for the best location.
- During busy times (6am–7:30am and 4pm–7pm Monday to Friday, and weekend mornings), lanes can be crowded. We recommend swimming during less busy times and check our lane availability.

These times show the different lane speed guides:

- Slow Lane: Laps slower than 30 seconds
- Medium Lane: Laps slower than 25 and faster than 30 seconds
- Fast Lane: Laps faster than 25 seconds

These times are just a guide, and staff will monitor the lanes based on everyone's abilities on the day.

Plan your visit and check our Lap Lane Availability to have the best experience at the Centre.

Please be aware that availability may change subject to facility demands and is at management's discretion.
